Get to know Mediterranean Underwater Cultural Heritage sites through Augmented and Virtual Reality applications, videos and a serious game

Creating personalized dry dive experiences for the promotion of Mediterranean Underwater Cultural Heritage sites as distinctive tourism destinations

Co-Funded by the COSME programme of the European Union

# MeDryDive works on the design of **Dive in the Past**, a new transnational thematic tourism product with respect to **Underwater Cultural Heritage** in Greece, Italy, Croatia and Montenegro.

## Main Outputs:

We aim to enrich the tourism experience of both divers and non-divers, by integrating in our travel packages, the following digital applications:

- A Dry Dive Serious Game
- Augmented Reality (AR) and Virtual Reality (VR) Apps for visitors to enjoy in public space
- Promotional videos for stimulating the interest of visitors on Mediterranean Underwater Heritage
